

Dear Friends and Family,

This summer, I would like to go to Camp Yakety Yak! It is a day camp in Lake Oswego, Oregon, for children ages 5-21 and is designed to help kids work on friendship skills. The camp has lots of fun activities such as science experiments, art exploration, outdoor games, music/theater, as well as two social-emotional skill classes each day. I even get to take a cooking class with picture recipes! Yum!

At Camp Yakety Yak, there are speech therapists, occupational therapists, and counselors who work with college student volunteers and campers on such skills as:

- being a flexible friend;
- conversational skills, such as using polite greetings and staying on the topic;
- focusing my attention on what the instructor wants me to do;
- making plans and following them step-by-step;
- strategies to calm myself down when I feel upset;
- participating in group projects like I have to do in school.

The camp lasts two weeks, from 10:00am-3:00pm daily for 25 hours of individualized instruction per week. All food, camp supplies and one-to-one assistance are included. In addition to learning about friendship, I will get to take a cooking class, do projects and play indoor and outdoor games with other kids!

I am writing to ask if you could help me go to camp. Each week the tuition is about \$600. If you are able to help, please make donate to my camp fund by mailing a check with my name in the memo line to P.O. Box 161, West Linn, OR. The camp will email you a receipt and let me know about your donation, so I may thank you!

My goal is to raise \_\_\_\_\_ to go to camp this year. Every donation helps!

Thank you,
